PROJECT NAME	Global Sales Data Analysis

The screenshot displays the Qlik Sense interface with three main sections:

- Sources:** A list of data sources on the left. The source "Global_Superstore2.xlsx" is expanded, showing fields: Row ID, Order Date, Ship Date, Ship Mode, Customer ID, Customer Name, Segment, City, State, and Country.
- Data module:** A central pane showing the data model. It includes a search bar and a list of data items: "Global_Sup... View (1)", "Global_Sup...ore2.xlsx", and its fields: Row ID, Order Date, Ship Date, Ship Mode, Customer ID, Customer Name, Segment, City, State, and Country.
- Visualization:** A chart titled "Global_Superstore2.xlsx - View (1)" is shown. It contains two data items: "Global_Sup...tore2.xlsx" and "Global_Sup...- View (1)".
